

Limited-time Komplete 14 bundle deals

Buy any license (full, update, upgrade) of Komplete 14 Standard, Komplete 14 Ultimate, or Komplete 14 Collector's Edition and receive free NKS-ready instruments worth up to \$557 from our friends at AVA Music Group, Luftrum, and Wavelet Audio.

Komplete 14 Standard + UNITY Nostalgic Synth (Additional value: \$139)

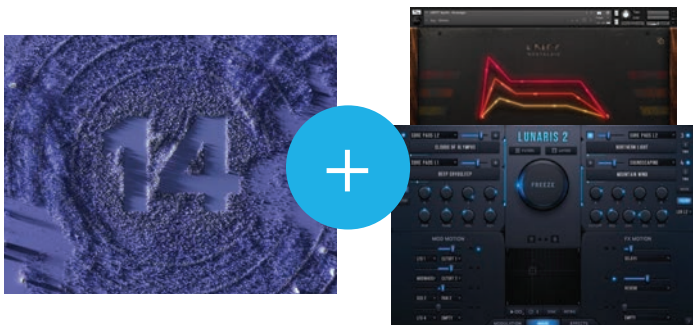

Komplete 14 Standard (MSRP: \$599)

The very core of Komplete – flagship synths, Kontakt and Reaktor platforms, as well as creative and studio effects in an exhaustive collection of sounds for any genre. Over 120 products including new additions Kontakt 7, Playbox, Ozone 10 Standard, and more.

UNITY Nostalgic Synth by AVA Music Group

An innovative blend of vintage hardware synths, foley textures, real organic instruments, and modern effects processing in a three-sound-source synthesizer that adds an instant wave of nostalgia. Instantly infuse warmth and character sampled from the most iconic hardware synth of all time.

Komplete 14 Ultimate + Lunaris 2 + UNITY Nostalgic Synth (Additional value: \$298)

Komplete 14 Ultimate (MSRP: \$1,199)

An expanded range of synths, sampled instruments, and effects, plus a huge collection of cinematic and orchestral scoring tools for composers. Over 200 products including new additions Piano Colors, Ashlight, Action Strings 2, and more.

Lunaris 2 by Luftrum

From analog to digital, strings, cinematic sounds, immersive ambient, and everything in between, Lunaris 2 offers a huge range of pads. Drag and drop your own samples and morph between them using the XY pad.

Komplete 14 Collector's Edition + Groth + Lunaris 2 + Unity Nostalgic Synth (Additional value: \$557)

Komplete 14 Collector's Edition (MSRP: \$1,799)

An all-encompassing production suite with almost everything Native Instruments has to offer, including pro versions of orchestral libraries, brand-new specialist composing tools, and a huge collection of Expansions. 250 products including new additions Choir: Omnia, Lores, and many more.

Groth by Wavelet Audio

Drawing on rich and diverse traditions of folk music, the sound of Groth evokes the atmosphere of Norse gods, ancient traditions, burial mounds, and rugged forests suspended in frost. From Viking-style epics to darkly brooding atmospheres, Groth provides everything you need to add a vast and unique level of depth to contemporary cinematic productions.

Products will be delivered via Native Access upon Komplete 14 registration.

For prices and SKUs please check the regular Komplete 14 factsheet.

This special offer is valid from March 6, 2024, until April 3, 2024, at the NI Online Shop and participating retailers, while stocks last. Savings described here are calculated on the basis of suggested retail prices (MSRP). Please note that, according to our terms and conditions, e-vouchers cannot be used in conjunction with special offers.
