

Supercharge Your Controller **Promotion!**

Get the full version of SampleTank 3 when you buy any of IK's iRig Keys, iRig Pads or iRig MIDI 2

Now you can get the full version of **SampleTank 3**, the ultimate sound and groove workstation, for **FREE** thanks to our Supercharge Your Controller promotion! From May 1st through May 31st, 2017, when you purchase and register any **iRig Keys, iRig Pads or iRig MIDI 2** from an authorized **IK retailer**, you'll get the full version of SampleTank 3, a \$/€299.99 value. SampleTank 3 is a robust sound and groove workstation that gives you over 33GB of samples, 4,000 ready-to-play instruments, 2,500 rhythm loops, and 2,000 MIDI files. It's easy to learn and easy to operate. It already comes with a massive library, and you can add more sound libraries, by way of SampleTank 3 Instrument Collections.

How it works

From May 1st through May 31st, 2017, when you buy and register an iRig Keys Mini, iRig Keys, iRig Keys Pro, iRig Pads or iRig MIDI 2 you'll get the full version of SampleTank 3 digital download for free in your User Area.
