Rotor brings the sound of the classic rotary speaker design from the 1940's to the Reason rack.

**FREE**

**Propellerhead Synchronous \$49**  
Animate your pad, wobble your bass or glitch up your samples. Synchronous is a creative effects modulator that will bring any sound to life.

### How this works

Any customer who purchase and register a qualifying Reason product before the offer ends, will get the included Rack Extension instruments automatically added to their Propellerhead account. To download the Rack Extensions, they just go to the account page, locate their Rack Extensions tab and click 'sync all'.  
\*Offer applies to Full version and Student/Teacher purchased new from an authorized dealer. Upgrade versions not eligible.
