## BUY EZDRUMMER 2 – GET A FREE MIDI PACK.

In May 2006, EZdrummer was released. Since then, it has changed the way thousands upon thousands of creative people write and record music. In May 2014, its successor EZdrummer 2 was launched and pushed the boundaries even further. To celebrate these two milestone releases, we're offering **a free drum MIDI pack of your choice to anyone who buys and registers EZdrummer 2 from May 26 through May 30\***.

\*This promotion only applies to sales of a regular version of EZdrummer 2 or an EZdrummer Lite Upgrade. Promotion valid from May 26 through May 30 2016. Your option to redeem the free drum MIDI pack will be available as soon as your product is registered. After registration, you have a maximum of seven (7) days to redeem your MIDI pack. Promotion void where prohibited.
