

Premium STUDIO Upgrade

Buy a **6176 Vintage Channel Strip** & Get a **FREE UAD-2 QUAD DSP Accelerator** with Plug-Ins!
Hurry, offer ends September 30th, 2015.

By combining the legendary tube warmth of the 610 microphone preamp with the signature FET compression of the 1176LN compressor, Universal Audio's **6176 Vintage Channel Strip** gives you a powerful tool for tracking and mixing that's found in A-list studios around the world, including artists like Adele and Coldplay.

Now, purchase a 6176 Vintage Channel Strip from an authorized UA retailer between July 1st and September 30th, 2015, and you'll receive a **UAD-2 QUAD DSP Accelerator** — your choice of PCIe Card, Satellite FireWire or Satellite Thunderbolt — with the **"Analog Classics Plus"** plug-in bundle —absolutely free!

UAD-2 QUAD DSP accelerators are workhorses of modern mixing, giving you unrestricted access to award-winning **UAD Powered Plug-Ins** on your Mac and PC.

US Fulfillment Details

Customers who purchase a 6176 from an authorized UA retailer in the United States between July 1st and September 30th, 2015, will receive a FREE UAD-2 QUAD (PCIe Card, Satellite FireWire, or Satellite Thunderbolt) DSP Accelerator directly from Universal Audio via an online rebate form and proof of purchase submission. Please allow 8-10 weeks for delivery. For more information and a link to the online rebate form, please visit www.uaudio.com/studio-upgrade. Universal Audio will not ship to PO Boxes — a secure residential or commercial shipping address is necessary for redemption.

Details and Limitations

Qualifying 6176 product(s) must be purchased new from an authorized UA Dealer. Offer provides one UAD-2 DSP card per 6176 purchased within the promotional period. Applies to UAD-2 PCIe, Satellite FireWire, or Satellite Thunderbolt QUAD Core models only. Offer valid only while supplies last. This promotion begins on July 1st, 2015 and ends September 30th, 2015.

Customers purchasing from UA dealers in the US, Austria, Belgium, Finland, France, Germany, Luxembourg, Netherlands, and Switzerland: Photo or scan of proof of purchase via a sales receipt is required with online rebate form. Proof of purchase must clearly indicate the name of the authorized UA Dealer. All online rebate submissions must be received by October 15th, 2015. Please allow 8 - 10 weeks for processing. All promotional rebate submissions are subject to UA approval.

EU Fulfillment Details

(Applies to the following countries: Austria, Belgium, Finland, France, Germany, Luxembourg, Netherlands, Switzerland)

Customers who purchase a 6176 from an authorized UA retailer in Austria, Belgium, Finland, France, Germany, Luxembourg, Netherlands, or Switzerland between July 1st and September 30th, 2015 will receive a FREE UAD-2 QUAD (PCIe Card, Satellite FireWire, or Satellite Thunderbolt) DSP Accelerator directly from Universal Audio via an online rebate form and proof of purchase submission.
