Get API, Studer & Manley Plug-Ins FREE when you buy any UAD-2 OCTO DSP Accelerator Card! Ends March 31st, 2016.

There's never been a better time to supercharge your productions with a UAD-2 OCTO DSP Accelerator — Universal Audio's most powerful plug-in processor — and start mixing with the finest analog emulation plug-ins in the world.

Purchase and register any new UAD-2 OCTO PCIe Card or UAD-2 Satellite Thunderbolt OCTO Unit (Core, Custom, or Ultimate) from an authorized UA retailer between January 1st and March 31st, 2016, **and get the API Vision Channel Strip, Studer A800 Tape Recorder, and Manley Vari-Mu Compressor plug-ins free** at product registration.

Not only does the powerful UAD-2 OCTO DSP Accelerator give you access to the full library of award-winning UAD plug-ins, it supercharges your Mac or PC with a powerful processing "boost" that you won't be able to mix without.

No coupons or redemption codes are necessary. The plug-ins will be automatically added to your account once you register your new UAD-2 OCTO DSP Accelerator hardware.

Already own any of the promotional plug-ins? No problem. You'll receive a single-use coupon of equal value to the plug-in(s) you already own at product registration.

Details and Limitations

UAD-2 OCTO DSP Accelerator customers must register their new Core, Custom, or Ultimate package on or before April 15th, 2016 to receive free plug-ins or equivalent plug-in coupon(s). Plug-in coupons must be redeemed by April 30th, 2016. Plug-In coupon cannot be combined with any other coupons, and cannot be used toward purchase of the AMS Neve RMX16 or Shadow Hills Mastering Compressor plug-ins. This promotion is valid only on new UAD-2 OCTO Core, Custom, or Ultimate DSP Accelerator Packages (PCIe Card or Satellite Unit) purchased from an authorized Universal Audio reseller between January 1st and March 31st, 2016. This promotion cannot be combined with UAD-2 hardware received as part of any other hardware or software promotion. All promotional fulfillment, including plug-in coupon redemptions, are subject to approval by Universal Audio.
