

# Back 2 School

~~\$ 2405~~  
\$ 2245

**Get Zen Studio+  
for a special price  
+ a free protective bag**

**Zen Studio+** comes with 40+ FPGA FX authentically modeling EQs, compressors, guitar amps and cabinets. Its extensive analog and digital connectivity, 12 world-class mic preamps and the signature Antelope clocking and conversion are accompanied by both Thunderbolt™ and USB connectivity.

Zen Studio+ is the most versatile high-end mobile recording system, capable of turning any place into a pro studio.

## What you need to do

1. Order a Zen Studio+ during the Back 2 School Promo (Aug 15 - Sept 30, 2017).
2. Once you get your device, copy it's serial number.
3. Head to <http://en.antelopeaudio.com/back-to-school> and register to claim your free Zen Studio+ protective bag.
4. Our team will reach out to you to discuss details about delivery of your free Zen Studio+ bag, once you submit your registration.
5. Only units purchased and registered for the first time during the promo period will receive a free bag.

Promotion is valid only for devices purchased between AUG 15 - SEP 30 or while stock lasts.
