## What do you get?

### Orion Studio Synergy Core

A studio workhorse and the heart of your creative space, the Orion Studio Synergy Core features:

- 12 discrete ultra-linear mic preamps with 75dB max gain
- 18 digital I/O channels (2x ADAT, S/PDIF, Word Clock)
- AD/DA conversion 130dB headroom aided by 64-bit AFC™ clocking
- Synergy Core real-time effects platform with 6xDSP & 2xFPGA processing chips
- 2 pairs of monitor outs for A/B listening and 2 individual stereo headphone outs

### Free Edge Duo

The dual-diaphragm mic allows you to capture high-res sound and choose between different emulations and polar patterns during recording and mixing.

### Free 18 microphone emulations

The locker contains emulations of classic and rare mics, all meticulously modeled using proprietary methods. Included are Vienna 12, Illinois 7B & Berlin M103.

### Free 51 Synergy Core effects

The Orion Studio comes with the largest library of free effects among all our Synergy Core interfaces. Included are real-time compressors and EQs like SMT-100A, BAE-1023 & NEU-W495.

### Free Bitwig Studio 4 DAW

Bitwig Studio is an innovative music production and performance software that takes your ideas through each stage of production. It comes with many sounds, factory presets, instruments & modulators.

### Free afx2daw

The afx2daw plug-in lets you use the Synergy Core effects inside most popular DAWs, providing native workflow while keeping all the processing inside the interface.
