FAQ:

Who can access this promotion?

All users that register their Carbon unit from July 1 through September 15.

When can I access this promotion?

If you purchase and register your Carbon unit during the promo period, then you will get access both Auto-Tune Hybrid and their Pro Tools | Ultimate perpetual license on August 6. Please note that if you purchased and registered your Carbon unit *before* August 6, then you will not immediately see the promo products in your account. You will need to revisit their accounts on August 6 or after to access these promotional products.

How do I access Auto-Tune Hybrid in my Avid Master Account?

From [My Products](#), navigate to the grey dropdown bar entitled 'Auto-Tune Hybrid'. Within it, you'll find a serial number and a redemption link for Auto-Tune Hybrid. Copy the serial number and click the redemption link to navigate to Antares' site where you can access your free product.

How do I access my Pro Tools | Ultimate perpetual license?

From [My Account](#), click [Products Not Yet Downloaded](#). Your Pro Tools | Ultimate perpetual license is not yet activated. When you are ready, you will need to download and activate your license from this page.

After I register my Carbon audio interface, do I get a Pro Tools | Ultimate perpetual license *instead of* the Pro Tools annual subscription that typically comes with Carbon, or do I get both?

You get both! When you purchase and register your Carbon on or before September 15, 2021, you will not only get the Pro Tools annual subscription that already comes with your interface, you'll also get access to a Pro Tools | Ultimate perpetual license.

I'd like to use up my free year of annual subscription before accessing my free year of Pro Tools | Ultimate—can I do that?

Yes! Your Pro Tools | Ultimate perpetual license is automatically deposited into your MyAvid account's [Products Not Yet Downloaded](#). The clock does not start ticking on the Updates + Support Plan for this new perpetual license until you've activated it from this page.

Do I get to keep Pro Tools | Ultimate forever, even after the included Annual Update and Support plan expires?

Yes! Perpetual licenses remain active in your account forever. And when you activate your Perpetual license, an annual Updates + Support Plan kicks in, which gives you all new releases for a full year. At the end of the annual term, you can choose to renew your support plan or let it expire. If you let it expire, you'll keep your Pro Tools | Ultimate perpetual license along with the most recent version you downloaded and installed - forever.

With a Pro Tools | Ultimate perpetual license, will I have access to Pro Tools Inner Circle rewards, HEAT analog console modeling, and the Avid Complete Plugin Bundle?

Pro Tools Inner Circle rewards (\$1,600 USD value), HEAT, and the Avid Complete Plugin Bundle are included with Pro Tools subscriptions exclusively. They are not included with Pro Tools | Ultimate perpetual licenses. You can enjoy them for the full year of your included subscription, but will lose access to these rewards and plug-ins should you choose to let your annual subscription expire.

What is the Pro Tools Inner Circle?

Carbon comes with a Pro Tools annual subscription. As an annual subscriber, you get access to the Pro Tools Inner Circle. This rewards program gives you access to over \$1,600 USD in free plugins, sounds, training resources, and more from the industry's most cutting-edge developers. Plus, you'll get new rewards throughout the year.
