ECC-6 Backpack Details:

Versatile travel companion for journeys with and without machines. Rugged, weather-resistant fabric in black, with padding on front and back for protection and comfort.

Compression straps and a roll top design let you adjust the carry capacity with ease. Pack lightly or load up depending on your trip.

The backpack includes an internal compartment for storing a 15" laptop, and a separate travel wallet for documents such as passports and boarding passes. Travel-friendly carry-on size with trolley hooks, and side pockets for bottles and other quick-grab items.

Included in the box:

1 × Elektron Backpack ECC-6

1 × Passport pouch | 30 litre capacity | 50×30×20 cm | 100% vegan

Protective Lid Details:

Hard plastic protective lid for ultimate protection.
