

“Buy any Eventide Blackhole®, MicroPitch Delay, UltraTap or UltraTap or TriceraChorus pedal and get your choice of either TriceraChorus, UltraTap, MicroPitch or Blackhole software plug-in free through January 31, 2022. **Purchase a pedal at any Eventide dealer worldwide and visit <https://www.eventideaudio.com/dot9-promo/> for details.**”

Purchase any dot9 series pedal – Blackhole, UltraTap, MicroPitch Delay, TriceraChorus – then the customer must go to the web link above to download the free plug-in. Basic instructions: register the pedal and visit the link on the landing page to receive the plug-in. An iLok account is required to activate it. If you don't have an iLok account, please visit [ilok.com](http://ilok.com) to create a free account. While you're there, download the License Manager software. No physical dongle is necessary. If a customer buys more than one dot9 series pedal, they get a plug-in for that unit as well!
