T-RackS 5 SE

Stream Dream Team Promotion

Take your podcasts to the next level - buy any qualifying iRig interface and get T-RackS 5 SE for free

Step up your streams with superior sound and advanced tone shaping. **Now through the end of June 2021, get T-RackS 5 SE mixing and mastering software free when you purchase iRig Pre HD, iRig Stream, iRig Pro I/O or iRig Pro Duo I/O.**

Each of these interfaces offers pristine sound quality on all your devices, with easy portability and simple, straightforward use. Use iRig Pre HD to connect the microphone of your choice, iRig Stream to connect your favorite mixer or instruments, or take advantage of iRig Pro I/O and iRig Pro Duo I/O's combo 1/4" / XLR inputs to plug in any device you can imagine.

And then take your streams and podcasts to the next level with T-RackS 5 SE, 10 studio staple mixing tools: compressors, limiters, EQs, de-essers, clippers and more; all packed with presets and compatible with today's most popular recording - and streaming! - software.

So grab the interface of your choice from your favorite authorized IK dealer today and get great T-RackS mixing & mastering software for free!

How to participate:

1. Purchase a qualifying audio interface and register the serial number in the box at www.ikmultimedia.com/registration
2. A serial for T-RackS 5 SE will automatically be added to your **IK User Account**
3. Access **IK's Product Manager** to download and install your free software!
