

# FREE MixBox with iRig Stream interfaces

## Step up your streams

Through May 31, buy any iRig Stream interface and get MixBox for Mac/PC or iPad free (up to a \$299.99 value)!

iRig Stream quickly became the absolute staple of musicians' lock-down kits in 2020, making it fast and easy to connect to all today's most popular video, audio and live-streaming apps and social media. And this month we're giving you even more tools to polish your work with your choice of MixBox for Mac/PC or iPad, absolutely free.

First, choose your Stream:

**iRig Stream Solo** is an affordable way to connect to iPhone, iPad, Android and other devices. It offers stereo RCA input, plus a TRRS headphone/mic input to talk over your stream, as well as loopback and direct monitoring for a simple but effective live-streaming solution.

**iRig Stream** steps up your sound with 24-bit A/D converters for pristine sound. Packed with all the same features as iRig Stream Solo, but with Lightning, USB and USB-C for compatibility with iPhone, iPad, Android, and Mac/PC, as well as convenient LED monitoring and an easy-to-set master gain knob.

**iRig Stream Pro** delivers truly professional results, with stereo RCA and a high-quality mic preamp for radio-ready vocals. And Stream Pro's **Loopback Plus™** lets you use dozens of music apps as real-time plugins inside any app, even Instagram or TikTok. It's a radical new way to sound your best on any device.

Next, choose your platform. MixBox is IK's award-winning new virtual channel strip suite, offering over 70 world-class effects to ensure you always sound your best. Choose Mac/PC (\$/€299.99) or iPad (\$99.99) versions, and get ready to wow your followers with your best sounding streams ever!
