

T-RackS Group Buy Extended! Now get up to 10 for the price of 1!

Buy any T-RackS processor or Lurssen Mastering Console and get 5 more processors free now, and up to 9 free as more participate!

How would you like to get 6 plugins for the price of one? How about 7, 8, 9, or even 10? **Extended from September 4th through October 1st**, purchase and register any **T-RackS** processor or **Lurssen Mastering Console** and get **SIX** more processors of equal or lesser value **FREE** - that's 7 for the price of 1! But it doesn't stop there. You can get more and more as people participate! That's right, you can still build your dream rig without breaking the bank with our extended **T-RackS Group Buy**.

You can now get 7 T-RackS processors for the price of 1! And as mentioned, it gets even better with new tiers added during the extension. Since this is a Group Buy, you can get even more free gear throughout the month. Each time anyone purchases and registers a T-RackS processor or Lurssen Mastering Console during the time of the promotion, the Group Buy Counter increases by 1. Once the counter hits 2,300, another T-RackS processor of equal or lesser value will be available in your User Area for FREE. The same thing will happen when the counter hits 2,700 and 3,000. That means you could get a total of 10 high-quality T-RackS processors for the price of one!
