

# iZotope Repair Season

Save up to 50% on iZotope's award-winning suite, RX 10, and lock in a free upgrade to RX 11 – coming soon!

## RX 10 Elements \$49

### RX 10 Elements (MSRP: \$99)

Made for content creators and home studios, iZotope RX Elements is a budget-friendly noise reduction and audio repair toolkit powered by world-class technology. Repair Assistant streamlines the same tools used by the pros to quickly correct common audio issues.

## RX 10 Standard \$299

### RX 10 Standard (MSRP \$399)

RX 10 Standard is a powerful toolkit for audio cleanup in music and post production. From cleaning up tracks in seconds with Repair Assistant to surgically rebalancing stereo mixes with Music Rebalance, RX 10 is the perfect mix of audio aid and creative tools.

## RX 10 Advanced \$799

### RX 10 Advanced (MSRP \$1199)

RX 10 Advanced is the complete audio repair suite, trusted by leading post production engineers. Navigate by speech, re-synthesize missing frequencies, and much more – with multichannel support (up to 10 channels).

## Post Production Suite 7.5 \$999

### Post Production Suite 7.5 (MSRP \$1799)

RX Post Production Suite 7.5 gives you the tools you need to fix noisy production audio, bring stories to life, and send final deliverables at the right specifications, including RX 10 Advanced, Neutron 4 Advanced, Dialogue Match, Insight 2, Symphony 3D and Stratus 3D surround reverbs by Exponential Audio, and more.

## Get RX 11 free

**Step 1:** Save on RX 10 right now

**Step 2:** Save your tracks from audio flaws

**Step 3:** Get RX 11's equivalent version free when it launches in May

This special offer is valid from April 9, 2024, until May 14, 2024. Free upgrades to RX Elements, Standard, and Advanced will be delivered electronically via email upon release of RX 11.

Upgrades are valid for the equivalent version of RX 11 only.
