

Free MWM Phase Case

With the purchase of any Phase Essential or Ultimate

The MWM Phase Case is the ideal travel case for the Phase wireless DVS controller. It is custom designed to fit both the Phase Essential and Phase Ultimate packs. It holds up to one receiver and four remotes. An inner zippered compartment is also available to store cables and other small accessories. You can also store your extra Phase magnetic stickers in the open space under your Phase receiver.

Claim your mail-in rebate at the link below. Simply fill out the provided form and make sure to include a copy of your purchase receipt. Claims will not be processed without proof of purchase. All fields are required.
