## KOMPLETE 13 + MOONKITS **Additional Value: \$179**

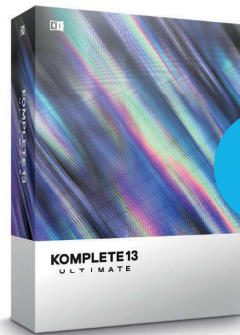

### THE WORLD'S LEADING PRODUCTION SUITE

KOMPLETE 13 contains more than 65 premium products, 20+ Expansions, and over 35,000 sounds.

### ABOUT MOONKITS FROM SONICCOUTURE

Sonniccuture's Moonkits delivers dusty, skippy, and intricate live percussion that lends itself to everything from blues and jazz jams, to forward-thinking breakbeat. Design your own patterns, swap out brushes, mallets, rods, and sticks, and build your own kits recorded by expert drummers at London's Konk Studios.

## KOMPLETE 13 ULTIMATE + MOONKITS & ANALOG STRINGS **Additional Value: \$378**

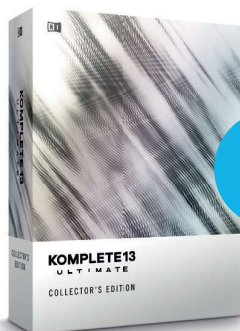

### THE ULTIMATE PRODUCTION SUITE

KOMPLETE 13 ULTIMATE includes 115+ premium instruments and effects – from cutting-edge synths to symphonic sample libraries – and 39 Expansions sound packs.

### ABOUT ANALOG STRINGS FROM OUTPUT

The Analog Strings engine takes piano plucks, sampled feedback, noise, resonance, vintage synths and lots more along with a sampled 60-piece string orchestra, 22-piece orchestra, and solo musicians to blur the lines between traditional orchestral timbre and futuristic sound design.

## KOMPLETE 13 COLLECTOR'S EDITION + MOONKITS, ANALOG STRINGS, & INDIE **Additional Value: \$675**

### THE ULTIMATE PRODUCTION SUITE – EXPANDED

The Collector's Edition extends the palette to more than 120 premium instruments and effects, plus a total of 73 Expansion sound packs.

### ABOUT INDIE FROM SONOKINETIC

Indie is all about lighter, characterful sound on an intimate scale for boutique orchestral cues. Smaller woodwind, string, and brass ensembles join melodic percussion in a light-touch phrase-based ensemble instrument that's perfect for distinctive, minimalist soundtracks. Indie's streamlined interface makes it easy to combine real-time performances with melodies, harmonies, and one another for inspiring and beautifully-quick creation.
