## FREE WITH BIG SIX PURCHASE

FlexVerb

X-Echo

X-Delay

- **PROMO IS UNDER EMBARGO UNTIL Oct 2nd**
- Customers who buy the BiG SiX and register within that period will receive a free perpetual license for FlexVerb, X-Echo and X-Delay. A total value of \$679.97.
- **Procedure for plugin redemption:**
- Big SiX purchasers must create an account and register their purchase of BiG SiX at [www.solidstatellogic.com](http://www.solidstatellogic.com) within October 2<sup>nd</sup> and December 31<sup>st</sup>. The plugin authorization code will be issued in an email attached to the registrant's account.
- The client will need an iLok account.
- If the plugin licenses are not registered and authorized within the specified period, extensions will not be available.
- This offer is open to current owners of BiG SiX who have registered their product.
